- A. [2020-3628](#)** Draft RFP for Lobby Services

Brian Head, City Attorney explained the draft RFP for lobby services and started the discussion with item number 2. Scope of Services to the Committee.

General discussion revolved around:

1. The importance of our relationship with the lobbyist hired and their current relationship with the Legislators
2. Possibly raising the budget if desiring more services.
3. Keeping the contract term at three years.

Consensus was to have staff add the following items to the RFP and bring an updated version to the meeting in September:

1. Add language regarding:
 - a. The lobbyist conferring with the elected officials in preparation to testify on our behalf.
 - b. Having additional face to face time with the lobbyist. (possibly by Zoom).
 - c. Adding a question for the candidate to describe the types of relationships they currently have with legislators and their philosophy.

B. [2020-3630](#) Legislative Priorities

Brian Head started the discussion and informed the Committee that he had been in contact with our current lobbyist. He mentioned that he asked Mr. Durham for his thoughts on issues that might be coming up.

Mr. Durham provided the following:

1. Wayfair
2. Franchise Fees
3. Special District taxing authority
4. Policing - practice, employment, training
5. Prosecutorial Authority
6. Economic Development Programs and credits
7. Limitations on Authorities regarding zoning, building codes and business licenses
8. Local government expenditure database of expenses in real time.

After brief discussion, Mr. Head offered to send out a clean copy of last year's priorities in a separate email to the Committee so they may begin making changes to it for further discussion at the next meeting.
