- B. [2020-3630](#)** Legislative Priorities

The Committee discussed two color choices and the Consensus was to go with the branding colors. The only other change was to have the headings format color changed to white so they "pop off the page".

Staff will email the final with changes to the Committee.

- C. [2020-3740](#)** Discuss Roles and Responsibilities of the Legislative Intergovernmental

Relations Committee.

Each Council Committee has been tasked by the Rules Committee to review their Committee roles and responsibilities and send them to the Rules Committee for discussion.

The Committee Consensus was to change the following (see strike out section) of the Legislative/Inter-Governmental Relations Committee:

"Legislative/Inter-Governmental Relations Committee. The committee shall develop the annual state and federal legislative programs for City Council consideration, ~~host the Annual "Kick-Off" Meeting with state legislators in combination with the school districts and Chamber of Commerce to present the state legislative program, and~~ work with City staff to monitor legislation introduced at the state and federal level affecting municipalities and identify issues for the Council to consider taking a position and/or lobbying state or federal legislators. The committee shall work with political subdivisions in the area on common issues, projects, and agreements. A quick response team consisting of the Mayor, City Manager, and Chairman of this Committee shall meet and provide a position statement for the Committee during the legislative session in those instances where action on specific legislation is imminent."

This section may or may not have contract approval language added at some point in the future, when finalizing the other Committee roles and responsibilities. The only contract the Legislative/Inter-Governmental Relations Committee has been involved in is the Lobbyist contract.

Mr. Head stated that he would submit the language changes to the Rules Committee at their next scheduled meeting.

No other Committees were discussed at this time.

## 6. Roundtable

Councilmember Johnson inquired if the RFP for the lobbyist has gone out yet. Mr. Head stated that he believe it had, but wasn't sure who it went to, however he thought it would be the same list of individuals as last time. He also stated he would to send it to anyone that inquires about it. Once the date closes on the RFP, they will be sent to Mr. Head and he will make sure to forward them out to the Committee. Those will be a closed record until the Committee has made a selection. Mr. Head informed the Committee that he will e-mail them the timing, so they will know when to expect them.

Mayor Baird mentioned that recently the area Mayor's teamed up with Blue Springs and Independence regarding a mental health grant. He felt it was a positive meeting and would like to continue meeting with cities from Eastern Jackson County as we have in the past. He mentioned adding Grandview and Raytown to the initial group for future collaborative meetings. Even though

recently it seems the Mayor's have been meeting in a collaborative effort, it is important to have Councilmember involvement in future meetings. Mayor Baird would like to see a future meeting be held in the Spring.

Councilmember Johnson wanted to remind the Committee that on the first day of December all the bills are pre-filed and will give some idea of the items that will effect all municipalities. He didn't feel we necessarily will need to wait until Spring.

The recording secretary mentioned that the next regularly scheduled meeting for the Legislative/Inter-Governmental Committee would be November 16, 2020. Mr. Head stated that it may be better to wait until after Thanksgiving for a meeting which would allow time to receive the RFPs. Mayor also mentioned that the comprehensive plan meetings will be held starting November 16. Mr. Head mentioned possibly waiting until Nov 30. Councilmember Johnson had some concern with waiting later to meet due to the pre-filings coming out Dec 1.

Consensus of the Committee was to have Mr. Head email the Committee the RFP deadline and then staff would send out an email of meeting choices at that time.

## **7. Adjournment**

Councilmember Carlyle adjourned the meeting at 6:00 p.m.
