An Ordinance approving the award of RFP No. 2022-008, to conduct a Diversity and Inclusion Assessment of the City government and community to Hicks-Carter-Hicks, LLC, and authorizing the City Manager to execute the same for the City. (F&BC 1/19/2022)

Issue/Request:

An Ordinance approving the award of RFP No. 2022-008, to conduct a Diversity and Inclusion Assessment of the City government and community to Hicks-Carter-Hicks, LLC, and authorizing the City Manager to execute the same for the City.

Key Issues:

The City Council passed Resolution No. 21-01 on January 19, 2021 establishing the Commission on Diversity and Inclusion. The resolution included specific duties, commission members, and term of service. The key duty for the Commission is to report back to the Council with a Vision Statement for the future of Diversity and Inclusion in the City. To do that the Commission needs to conduct an assessment of the current state of diversity and inclusion in the City of Lee's Summit and the Community.

Upon the consideration of the proposed D and I Assessment Study Agreement, the Finance and Budget

Committee requested further information. Staff was directed to gather more information regarding the following items:

- A. When we conduct a “community assessment” what is the definition of “community”?
- B. How could the City Council participate more in the assessment process?
- C. What is meant by the assessment firm’s reference in Exhibit B, Item 2 (d) Action: “What will be done to address the issue and change the current state.”?
- D. How will the Assessment Process create an opportunity for input from community members who may not necessarily be an active voice in our city?
- E. Lee’s Summit is unique in having a sizable resident work force leave the community each day...how will these distinct individuals be represented in the assessment process?
- F. What is the City of Lee's Summit organization’s “diversity profile”?
