

The CEDC held a public hearing on April 18, 2016 as a part of this open public process and recommended approval of the 2016-17 Annual Action Plan and forwarding on to the City Council for adoption by ordinance. The 2016-17 Annual Action Plan includes funding levels for various proposed programs and projects sponsored by City departments and local non-profit agencies. A 30-day public review and comment period was provided starting late March through April 29. No public comments were received by the City.

Impact/Analysis:

The CDBG Program provides annual funding from the federal government to support local housing and support service programs benefiting low-to-moderate income persons and families, which are normally heavily dependent upon grants, donations and other private resources. The program will also help cover part of the City's administrative cost of operating the CDBG Program.

Timeline:

Start: 7/1/2016

Finish: 12/31/2017

Other Information/Unique Characteristics:

Funds allocated for Public Service programs shall be spent before 6/30/2017. Funds allocated for construction related projects should stick to the 18-month rule based on the date of the signing of the grant agreement, but may be extended if the project needs additional time to complete.
