An Ordinance approving a State Block Grant Agreement for eligible preliminary project costs towards the preparation of the Runway 11-29, Taxiway Bravo and Taxiway Charlie Reseal, Joint Seal and Remarketing project for the Lee's Summit Municipal Airport between the City of Lee's Summit, Missouri, and the Missouri Highways and Transportation Commission in the amount of \$59,000.00 and authorizing the Mayor to execute an agreement for the same. (BOAC 2/6/23 & PWC 2/13/23)

Issue/Request:

An Ordinance approving a State Block Grant Agreement for eligible preliminary project costs towards the preparation of the Runway 11-29, Taxiway Bravo and Taxiway Charlie Reseal, Joint Seal and Remarketing project for the Lee's Summit Municipal Airport between the City of Lee's Summit, Missouri, and the Missouri Highways and Transportation Commission in the amount of \$59,000.00 and authorizing the Mayor to execute an agreement for the same.

Key Issues:

- The Commission has agreed to award funds to the City with the understanding that such funds will be used for a project pursuant to this State Block Grant Agreement.
- The purpose of this agreement is to provide financial assistance to the City under the State Block Grant Program for the Runway 11-29, Taxiway Bravo and Taxiway Charlie Reseal, Joint Seal and Remarketing project.

- The project period shall be from the date of the execution by the commission to December 31, 2024.
- The initial amount of this grant is not to exceed \$59,000 for eligible preliminary project costs.
- The amount of this grant represents 100% of eligible project costs.
- This grant shall expire and the Commission shall not be obligated to pay any part of the costs of the project unless this grant Agreement has been executed by the City on or before March 30, 2023, or such subsequent date as may be prescribed in writing by the Commission.

Proposed Committee Motion:

FIRST MOTION: I move to recommend to City Council for approval of an Ordinance approving a State Block Grant Agreement for eligible preliminary project costs towards the preparation of the Runway 11-29, Taxiway Bravo and Taxiway Charlie Reseal, Joint Seal and Remarking project for the Lee’s Summit Municipal Airport between the City of Lee’s Summit, Missouri, and the Missouri Highways and Transportation Commission in the amount of \$59,000.00 and authorizing the Mayor to execute an agreement for the same.

Proposed City Council Motion:

SECOND MOTION: I move for adoption of an Ordinance approving a State Block Grant Agreement for eligible preliminary project costs towards the preparation of the Runway 11-29, Taxiway Bravo and Taxiway Charlie Reseal, Joint Seal and Remarking project for the Lee’s Summit Municipal Airport between the City of Lee’s Summit, Missouri, and the Missouri Highways and Transportation Commission in the amount of \$59,000.00 and authorizing the Mayor to execute an agreement for the same.

Background:

The existing concrete for Runway 11-29 and Taxiway Bravo are over twenty-eight years old. The existing concrete pavement for taxiway Charlie is over ten years old. As part of the airport’s pavement maintenance program the joint seal material requires replacement periodically throughout the life of the pavement. Daily pavement inspections provide feedback on the condition of pavement conditions. Based on observations of both of these pavements they are nearing that period which will require the replacement of the joint seal material, spall repair of any concrete areas that are breaking up and remarking of the pavement. Similar work was performed on Runway 11-29 and Taxiway Bravo over 10 years ago. Construction traffic on Taxiway Charlie over the past several years has advanced the need for the planned.

The Runway 11-29, Taxiway Bravo and Taxiway Charlie Reseal, Joint Seal and Remarking projects are included in the adopted FY23 Capital Improvement Plan.

The initial grant funding for this project is \$59,000. The proposed CMT modification totals \$59,000.
