Continued Discussion of Stormwater Program

Issue/Request:
Continuing discussion of stormwater program goals. Information is also provided to discuss funding mechanisms if desired.

Key Issues:
*Proposed goals and objectives of a stormwater program will be discussed as a follow-up to discussions at the September 12 Public Works Committee meeting.
*Potential funding necessary for projects and program

Background:
City Council and PWC have been in discussions concerning the stormwater system and programs to maintain and improve the system since September 2015. There are many challenges from structural integrity to environmental compliance which will have to be addressed. Funding for the program will need to be identified.

Presenter: Dena Mezger, Director of Public Works
