(Note: First read by Council on March 5, 2024. Passed by unanimous vote.)

Issue/Request:

The applicant requests to vacate a 32'-wide x approximately 100'-long portion of an existing sanitary sewer easement that conflicts with the future location of a multi-tenant commercial building on Lot 13-A. The easement was dedicated to the City in 2019 as part of the plat titled *Streets of West Pryor, Lots 1 thru 14, Tracts A, B, C & D*. The existing public sanitary sewer line housed within said easement will be relocated to the north. Lot 13-A will be served by a private sanitary sewer service line that will connect to the relocated public sanitary sewer main.

I move to recommend APPROVAL of Appl. #PL2024-006 - VACATION OF EASEMENT - 1020 NW Pryor Rd; Engineering Solutions, LLC, applicant.
