Housing Affordability presentation and discussion

Staff will be making a presentation and be prepared to have discussion with the Community Development Committee on what may be considered impediments to housing affordability within current codes and ordinances. Staff will suggest some solutions and engage in a dialogue with the committee on options to increase housing affordability.

The purpose of the presentation and discussion is to explore ideas and opportunities that may be pursued in an attempt to improve housing affordability within Lee's Summit.

Presenter: Ryan Elam and Josh Johnson
