Stormwater Program Review

Issue/Request:
Review status of stormwater program

Key Issues:
Stormwater funding program will require a rate study, a public vote and a billing system in order to implement.

Proposed Committee Motion:
I move to recommend to City Council [Enter text here]

Background:
Public Works Committee previously spent considerable time discussing a funding program for stormwater services. Staff presented information on program goals, funding scenarios, possible revenue sources, and other communities' programs for consideration. This presentation is a review of the decisions made and the status of the program.

Other Information/Unique Characteristics:
The cost of the rate study/billing system development is anticipated to be in the range of $400,000-$450,000.

Dena Mezger, Director of Public Works
