Public Hearing: Application #PL2024-064 - Preliminary Development Plan- 1,900 square foot ADU in the backyard of 512 NE Promised View Drive.

Issue/Request:

The applicant proposes a preliminary development plan to construct a 1,971 sq. ft. accessory dwelling unit (ADU) to be located behind the principal structure adjacent to the pool. The purpose of the ADU will be to serve as guest quarters for family members and visitors of the property owner. The ADU will feature 1 bedroom, 1 bathroom, a full kitchen, hearth room and pool storage area. The architectural style and building materials will be consistent with the main home. The applicant is seeking a modification to the maximum size limitation for the proposed ADU which requires approval by the Planning Commission and City Council. All other UDO requirements for construction of this ADU have been met and but for the requested modification the ADU could be administratively approved.
