Presentation: Fire Station 1: Findings from Renovation or Remodel Feasibility Study

Issue/Request:

Presentation - Fire Station 1: Findings from Renovation or Remodel Feasibility Study

Key Issues:

Brief review of Fire Station1: Findings from Renovation or Remodel Feasibility Study

Background Information:

* In April 2023, voters approved the issuance of no tax increase bonds to renovate or replace the outdated Fire Station No. 1.

* In December 2023, after an RFQ process to find the most qualified firm, the City entered into a contract with WSKF for Design Services for a Feasibility Study for Fire Station No. 1.
