Issue/Request:

An Ordinance repealing the current City of Lee's Summit Procurement Policy as adopted by Ordinance No. 8758, and adopting in lieu thereof a new policy entitled Procurement Policy for the City of Lee's Summit, Missouri.

Key Issues:

- The Procurement Policy is to be reviewed and updated at least every three years
- City Staff, including Procurement and Contract Services, Law, department users, managers, and directors were provided the opportunity to provide input and suggestions for improvements to the policy
- The most significant change to the policy is increasing the City Managers signature authority from \$50,000 to \$75,000.
- See the attached document with Policy Updates for a detail listing of updates made to the Policy
