Continued Discussion of 2023 Legislative Priorities

Each year the Committee recommends a series of priorities by way of a brochure that can be provided to Legislators and others interested in the City's priorities. Attached are last years' brochure and a word copy of the text of the brochure to use as a working document. Staff will be prepared to discuss a few items from last year that did not pass in the most recent session but are likely to come back.

Brian W. Head, City Attorney
