File #: BILL NO. 24-121, **Version:** 1

An Ordinance approving a term extension until September 30, 2024 for the Public Service Agreement by and between the City of Lee's Summit, Missouri and Downtown Lee's Summit Main Street for the purposes stated in the Agreement; and authorizing the City Manager to execute the same by and on behalf of the City. (F&BC 7/1/24)

Issue/Request:

Consider an extension to the Public Service Agreement (PSA) with Downtown Lee's Summit Main Street (DLSMS) to bridge that agreement and any potential future agreement still under Council consideration.

The City has a PSA with DLSMS for a variety of services that expired June 30, 2024. DLSMS presented a request to renew/update that PSA to the City Council Finance and Budget Committee in June. The committee recommend approving that request to Council, but the City Council wanted to receive additional information before renewing that agreement, including information from the Lee's Summit Visitors Bureau.
