(NOTE: First reading by City Council on March 5, 2019. Passed unanimously.)

An Ordinance authorizing execution of modification No. 12, to the agreement with Crawford, Murphy and Tilly, Inc. for On-Call Engineering Services for the airport (RFQ No. 2015-300) in the amount of \$45,164.63 for Engineering, Inspection and Testing.

Issue/Request:

An Ordinance authorizing execution of modification No. 12, to the agreement with Crawford, Murphy and Tilly, Inc. for On-Call Engineering Services for the airport (RFQ No. 2015-300) in the amount of \$45,164.63 for Engineering, Inspection and Testing.

Key Issues:

- The construction contractor exceeded the days allowed in the contract.
- City incurred additional costs as a result of the delays, primarily in inspection and testing. The total additional cost charged by CMT to the city was \$45,164.63.
- Liquidated damages in the amount of \$45,164.63 were assessed to the contractor as a result of exceeding the contract time.
- Liquidated damages were based on actual engineering fees resulting in zero cost to the city.

Proposed City Council Motion:

I move for adoption of an Ordinance authorizing execution of modification No. 12, to the agreement with Crawford, Murphy and Tilly, Inc. for On-Call Engineering Services for the airport (RFQ No. 2015-300) in the amount of \$45,164.63 for Engineering, Inspection and Testing.

Background:

The construction contractor exceeded the days allowed in the contract. The City incurred additional costs as a result of the delays, primarily in inspection and testing. The total additional cost charged by CMT to the city was \$45,164.63 and the Liquidated damages in the amount of \$45,164.63 were assessed to the contractor as a result of exceeding the contract time. The liquidated damages were based on actual engineering fees resulting in zero cost to the city.
