Issue/Request:

An ordinance authorizing an amendment to permit the extension of the project time period from December 31, 2017 to December 31, 2018 of the State Block Agreement by and between the City of Lee's Summit, Missouri, and the Missouri Highways and Transportation Commission, Granting State funds in the amount of \$9,372,772.00 for rehabilitate and strengthen Runway 18-36, Extend Runway 18-36, Extend Runway 11-29; and Runway 18-36 and 11-29 lighting improvements.

Second Motion: I move for adoption of an ordinance authorizing an amendment to permit the extension of the project time period from December 31, 2017 to December 31, 2018 of the State Block Agreement by and

between the City of Lee's Summit, Missouri, and the Missouri Highways and Transportation Commission, Granting State funds in the amount of \$9,372,772.00 for rehabilitate and strengthen Runway 18-36, Extend Runway 18-36, Extend Runway 11-29; and Runway 18-36 and 11-29 lighting improvements.

Background:

The Missouri Department of Transportation (MoDOT) previously submitted a grant extension to the City of Lee's Summit for approval. That extension was approved by the city council on May 3, 2018. After approval by the council, MoDOT recognized that the closing grant date of June 30, 2018 was incorrect and should have been December 31, 2018. This action corrects that error. The request is a time extension to complete the project. The work included in the time extension is necessary to close out the project, including punch list items such as growing grass, fixing small areas where erosion has taken place, and final electrical work related to FAA nav aids. The extension will allow Lee's Summit to receive the full grant amount for the work performed.
