An Ordinance approving the dual award of Bid No. 2022-023, to purchase ammunition on an as-needed basis for a one-year term with up to four, one-year renewals to On Target Ammunition, LLC and Zoom Technologies, LLC, and authorizing the City Manager to execute the same for the City. (F&BC 11/1/21)

Issue/Request:

An Ordinance approving the dual award of Bid No. 2022-023, to purchase ammunition on an as-needed basis for a one-year term with up to four, one-year renewals to On Target Ammunition, LLC and Zoom Technologies, LLC, and authorizing the City Manager to execute the same for the City.

Key Issues:

Ammunition has become increasingly challenging for the Lee's Summit Police Department to purchase and have delivered in a timely manner. Current State contracts have lead times of up to 18-24 months from the time of purchase to the time of delivery. The delay in deliveries causes payments to be delayed from one budget year to the next.

Background:

The proposed contracts have stipulations to ensure the vendor can deliver goods within 4-6 weeks from date of order. The Police Department has struggled to maintain adequate levels of training ammunition as there has been a shortage of raw material (lead)(brass)(primers), coupled with the COVID-19 supply chain distribution issues. The timeline stipulation is important to ensure we can expect deliveries within a reasonable amount of time.

The bid was released and sent to vendors on September 28, 2021, with a bid deadline on October 6, 2021. Four (4) prospective vendors responded, two vendors, On Target Ammunition, LLC and Zoom Technologies, LLC, are the only bidders that can meet the bid time requirements.

The proposed contracts have an initial term of one-year, with an option to renew four time in one-year terms.
