An Ordinance approving the use of the Cooperative Purchasing Agreement (2021-097) between the City of Lee's Summit, Missouri and Ace Pipe Cleaning, Inc. for CCTV inspection of RCP pipe in the Little Cedar Creek and West Prairie Lee Watersheds in the amount of \$130,957.25 and authorizing the City Manager to execute the same. (PWC 12/13/21)

Issue/Request:

The Lee's Summit Water Utilities Department wishes to use a Cooperative Contract between Ace Pipe Cleaning Inc and the City of Joplin, LS Contract 2021-097, to provide inspection services through Closed Circuit Television (CCTV) of two large diameter reinforced concrete pipe (RCP) interceptors.

Key Issues:

- The Water Utilities Department uses CCTV inspection as part of its yearly system condition assessment and renewal program.
- The lines to be inspected are of a size and location that cannot be inspected utilizing the City's equipment.
- City staff reviewed this contract and several others before selecting this cooperative agreement for use.
- The coordinating agency, City of Joplin, competitively bid this contract as per the rules and regulation of the State of Missouri; Ace Pipe Cleaning was awarded the contract.
- Section 6.1 of the Procurement policy allows the City to use Cooperative purchasing agreements
- Ace Pipe Cleaning has done this work in the past with the City of Lee's Summit using this cooperative agreement and others like it. The cooperative agreement is LS Contract 2021-097.

Proposed Committee Motion:

I move to recommend to City Council approval of an Ordinance approving the use of the Cooperative Purchasing Agreement (2021-097) between the City of Lee's Summit, Missouri and Ace Pipe Cleaning, Inc. for CCTV inspection of RCP pipe in the Little Cedar Creek and West Prairie Lee Watersheds in the amount of \$130,957.25 and authorizing the City Manager to execute the same.

Proposed City Council Motion:

FIRST MOTION: I move for a second reading of an Ordinance approving the use of the Cooperative Purchasing Agreement (2021-097) between the City of Lee's Summit, Missouri and Ace Pipe Cleaning, Inc. for CCTV inspection of RCP pipe in the Little Cedar Creek and West Prairie Lee Watersheds in the amount of \$130,957.25 and authorizing the City Manager to execute the same.

SECOND MOTION: I move for adoption of an Ordinance approving the use of the Cooperative Purchasing Agreement (2021-097) between the City of Lee's Summit, Missouri and Ace Pipe Cleaning, Inc. for CCTV inspection of RCP pipe in the Little Cedar Creek and West Prairie Lee Watersheds in the amount of \$130,957.25 and authorizing the City Manager to execute the same.

Background:

The Lee's Summit Water Utilities Department regularly performs condition assessments of sewer lines throughout the City. The lines in these inspections are of a size and location which cannot be inspected utilizing the City's equipment.

Impact/Analysis:

This work is budgeted in the Lee's Summit Water Utilities Department Capital Improvements Plan.

Mark Schaufler, Director of Lee's Summit Water Utilities

Recommendation: Staff recommends approval of an Ordinance approving the use of the Cooperative Purchasing Agreement (2021-097) between the City of Lee's Summit, Missouri and Ace Pipe Cleaning, Inc. for CCTV inspection of RCP pipe in the Little Cedar Creek and West Prairie Lee Watersheds in the amount of \$130,957.25 and authorizing the City Manager to execute the same.

Committee Recommendation:

The Public Works Committee voted unanimously 4-0 to recommend to City Council approval of an Ordinance approving the use of the Cooperative Purchasing Agreement (2021-097) between the City of Lee's Summit, Missouri and Ace Pipe Cleaning, Inc. for CCTV inspection of RCP pipe in the Little Cedar Creek and West Prairie Lee Watersheds in the amount of \$130,957.25 and authorizing the City Manager to execute the same.
