An Ordinance approving the execution of two grant agreements by and between the State of Missouri, Department of Transportation Traffic and Highway Safety Division and the City of Lee's Summit, Missouri for the Missouri Highway Safety Program. (F&BC 9-10-18)

Issue/Request:

The City, through the LSPD, applied for and has been awarded two grants by the Missouri Department of Transportation, Traffic and Highway Safety Division. The first grant awarded the City \$33,042.35 for a Hazardous Moving Violation Project, and the second grant awarded the City \$23,000.00 for an Impaired Driving Enforcement/DWI Saturation Project. The grants will provide the City with funding to implement programs intended to reduce the number and severity of traffic crashes occurring on Missouri roadways and reduce traffic fatalities and injuries.

Under first grant agreement, the City will be reimbursed for funds spent on programs that reduce speeding and aggressive driving within the City borders. Funds from the second grant agreement will be spent on programs that reduced impaired driving in the City. Both grant agreements have a term starting October 1, 2018 and ending September 30, 2019.

The LSPD desires the City to accept the grant awards by passing this ordinance and executing the grant agreements with the Missouri Department of Transportation, Traffic and Highway Safety Division for the Hazardous Moving Violation Project and the Impaired Driving Enforcement/DWI Saturation Project.
