An Ordinance approving a Missouri Highways and Transportation Commission Third Supplemental Agreement to Airport Aid Agreement for Project No. AIR 166-109A by and between the City of Lee's Summit, Missouri, and the Missouri Highways and Transportation Commission, extending the grant expiration date to September 1, 2022, for assisting with relocation and extension of taxiway A at the Lee's Summit Municipal Airport and authorizing the Mayor to execute the same. (PWC 2-14-22)

Issue/Request:

An Ordinance approving a Missouri Highways and Transportation Commission Third Supplemental Agreement to Airport Aid Agreement for Project No. AIR 166-109A by and between the City of Lee's Summit, Missouri, and the Missouri Highways and Transportation Commission, extending the grant expiration date to September 1, 2022, for assisting with relocation and extension of taxiway A at the Lee's Summit Municipal Airport and authorizing the Mayor to execute the same.

Key Issues:

- The Lee's Summit Municipal Airport received a grant for \$346,333.00.
- The project is in the process of being closed out.
- This amendment extends the grant expiration date from December 31, 2021 to September 1, 2022.
- In order to close the project and receive all available grant funds, this amendment must be approved by the City Council.

Proposed Committee Motion:

I move to recommend to City Council approval of an Ordinance approving a Missouri Highways and Transportation Commission Third Supplemental Agreement to Airport Aid Agreement for Project No. AIR 166-109A by and between the City of Lee's Summit, Missouri, and the Missouri Highways and Transportation Commission, extending the grant expiration date to September 1, 2022, for assisting with relocation and extension of taxiway A at the Lee's Summit Municipal Airport and authorizing the Mayor to execute the same.

Background:

The Lee's Summit Municipal Airport received a grant for \$346,333.00 for the relocation and extension of taxiway A. During the process of closing out the project, it was determined additional time was required to complete the project. The Second Supplemental Agreement extended the grant expiration date from December 31, 2019 to December 31, 2021. As a result of the unsatisfactory restoration of grass, the project could not be closed out by the amended grant expiration date. This supplemental agreement will extend the grant expiration date to September 1, 2022. In order received all available grant funds, this amendment must be approved by the City Council.
