Bids for the runway pavement were received in May 2016, with Emery Sapp and Sons being the low bidder. Award of the construction of the concrete pavement for the 1,500 foot extension of the Runway 18/36 and other incidental work was made in October 2016.

This State Block grant is in the amount of \$2,232,789, funding 90% of the cost of the land acquisition for land association with the runway improvements. Local matching funds of \$124,044.00, 5% of the project cost are required and are available from the Airport Capital Improvement Program. An additional 5% of the project cost, \$124,044.00 will come from a State Airport Aid Agreement.
