### Stormwater Program Review

Issue/Request:

Review status of stormwater program

Key Issues:

Stormwater funding program will require a rate study, a public vote and a billing system in order to implement.

Proposed Committee Motion:

I move to recommend to City Council [Enter text here]

Background:

Public Works Committee previously spent considerable time discussing a funding program for stormwater services. Staff presented information on program goals, funding scenarios, possible revenue sources, and other communities' programs for consideration. This presentation is a review of the decisions made and the status of the program.

Other Information/Unique Characteristics:

The cost of the rate study/billing system development is anticipated to be in the range of \$400,000-\$450,000.
