An Ordinance authorizing the Cash Escrow Deposit Agreement guaranteeing the installation of subdivision improvements for the Hawthorne Ridge Subdivision by and between the City of Lee's Summit, Missouri and Clayton Properties Group, Inc. a Tennessee Corporation.

(NOTE: First Reading by Council on August 9, 2018.)

Issue/Request:

An ordinance authorizing the Cash Escrow Deposit Agreement guaranteeing the installation of subdivision improvements for the Hawthorne Ridge Subdivision by and between the City of Lee's Summit, Missouri and Clayton Properties Group, INC. a Tennessee Corporation.

Key Issues:

- The Preliminary Plat for Hawthorne Ridge (originally named Arborwalk North) was approved by the Planning Commission on November 8, 2016
- Hawthorne Ridge 1st Plat, Final Plat was approved by the Planning Commission on April, 25, 2017
- The Final Plat is currently on hold to go before City Council until infrastructure is built or a form of surety is posted for the infrastructure
- The property owner to the East has requested that the tree line not be removed between the properties.
 - In lieu of removing trees, the developer has agreed to stop the infrastructure of SW Arbor Fall Drive, 25' feet short of the property line and enter into this deposit agreement for the cost of that infrastructure.

Proposed City Council Motion:

I move for adoption of An Ordinance authorizing the Cash Escrow Deposit Agreement guaranteeing the installation of subdivision improvements for the Hawthorne Ridge Subdivision by and between the City of Lee's Summit, Missouri and Clayton Properties Group, INC. a Tennessee Corporation.
