Discussion: Roles and responsibilities through the Public Hearing Process including questions that relate to Preliminary Development Plans and zoning criteria within the context of the public development process. Staff will also present key issues made by the Planning Commission when they approved the Ignite Comprehensive Plan.

Background:

Staff will present training concerning the various roles in the public hearing process for development projects and the way to frame questions that connect to the approval criteria in the Unified Development Ordinance.

Joshua Johnson, AICP, Director of Development Services
David Bushek, Chief Counsel of Planning and Economic Development
