An Ordinance authorizing the execution of a memorandum of understanding between the Kansas Bureau of Investigation and the City of Lee's Summit, Missouri for the use of Midwest High Intensity Drug Trafficking Area Award Funds. (F&BC 11/11/19)

Issue/Request:

An Ordinance authorizing the execution of a memorandum of understanding between the Kansas Bureau of Investigation and the City of Lee's Summit, Missouri for the use of Midwest High Intensity Drug Trafficking Area Award Funds.

Key Issues:

The Office of National Drug Control Policy ("ONDCP") has awarded 2019 High Intensity Drug Trafficking Area ("HIDTA") funding to federal, state and local law enforcement agencies in the region comprised of the states of Kansas, Missouri, Nebraska, Iowa, South Dakota and North Dakota for the purpose of combating the manufacture and importation of methamphetamine and the disruption of poly-drug trafficking organizations. The Kansas Bureau of Investigation ("KBI") is the designated fiscal agent for award proceeds to be distributed to state and local agencies participating in the Midwest HIDTA program within the region.

In May 2019, the City of Lee's Summit, Missouri ("City") was awarded \$70,924.00 from the Midwest HIDTA award. Under the proposed memorandum of understanding, the City designates one Lee's Summit Police Department ("LSPD") officer to work on a special task force known as the Kansas City/Overland Park DEA Task Force. The City's awarded funds will fully fund the designated LSPD officer.

The mission of the task force is to disrupt the illicit drug traffic in the Kansas City area by immobilizing targeted violators and trafficking organizations, gather and report intelligence data relating to trafficking in narcotics and dangerous drugs; and conducting undercover operations where appropriate and engage in other traditional methods of investigation in order that the task force's activities will result in effective prosecution before the courts of the United States and the States of Kansas and Missouri.

Partnering with the United States Department of Justice, Drug Enforcement Administration will provide a force multiplier and assist the LSPD with combating and investigating local cases of controlled substances distribution, manufacturing, and abuse.

The term of the award starts January 1, 2019 and finishes December 31, 2020.

Impact/Analysis:

This continued partnership will provide necessary support to the LSPD officer assigned to the task force including salary, vehicles, fuel, mobile phone, office space and supplies, travel funds, funds for the purchase of evidence and information, investigative equipment, training and overtime during the term of this agreement.

The LSPD will be able to force multiply with the DEA in combating locally the trafficking of controlled

substances.
