Issue/Request:

An Ordinance approving the use of a Cooperative Contract between the Jasper County Sheriff's Office and Turn-Key Mobile, Inc., to purchase computer and network technology as needed and authorizing the City Manager to execute the same for the City.

Key Issues:

- The City has a need to purchase computers and network technology equipment for use in police vehicles
- The current cooperative contract to purchase computers and network technology from Turn-Key Mobile has expired
- The primary use of the contract is to purchase Panasonic Toughbook laptops used by police and fire staff that work primarily out of vehicles
- The Jasper County Sheriff's Office awarded the bid for the necessary items to Turn-Key Mobile and the contract allows other public agencies to Piggyback
- Under the Procurement Policy 6.1 Cooperative Purchasing - the City can piggyback on public agency contracts when allowed by the contract

Proposed Council Motion:

FIRST MOTION: I move for second reading of an Ordinance approving the use of a Cooperative Contract between the Jasper County Sheriff's Office and Turn-Key Mobile, Inc., to purchase computer and network technology as needed and authorizing the City Manager to execute the same for the City.

SECOND MOTION: I move for adoption of an Ordinance approving the use of a Cooperative Contract between the Jasper County Sheriff's Office and Turn-Key Mobile, Inc., to purchase computer and network technology as needed and authorizing the City Manager to execute the same for the City.

Background:

The City was using a cooperative contract to purchase from Turn-Key Mobile; the contract has expired. Jasper County Sheriff's Office awarded a contract for the needed items to Turn-Key Mobile, Inc.

Impact/Analysis:

Use of this contract would be based on the annual appropriations approved by the City Council.
