A Resolution authorizing the Mayor to appoint successor directors to the Streets of West Pryor Community Improvement District.

Issue/Request:

A Resolution authorizing the Mayor to appoint successor directors to the Streets of West Pryor Community Improvement District.

Key Issues:

The Streets of West Pryor Community Improvement District (the "District") was established on January 8, 2019 by Ordinance No. 8541.

The District is run by a Board of Directors. The Community Improvement District (CID) Act and the District By-laws provide for the Mayor of the City to appoint Successor Directors of the District, with the consent of the City Council.

There are three seats on the Board where successor directors need to be appointed. The Board of Directors has sent their recommendations for appointment. The attached Resolution if approved, would appoint Andrew Mitchell and Aaron Francis as the successor directors to each serve 4 year terms each expiring on January 7, 2027, or until their successor is appointed in accordance with the Petition.

Proposed City Council Motion:

I move for approval of the Resolution authorizing the Mayor to appoint successor directors to the Streets of West Pryor Community Improvement District.

Trisha Fowler Arcuri, City Clerk

Staff recommends approval of the Resolution.
