### Issue/Request:

An Ordinance approving and authorizing the execution an addendum to a memorandum of understanding between the Kansas Bureau of Investigation and the City of Lee's Summit, Missouri for the use of additional funding from Midwest High Intensity Drug Trafficking Area Award Funds.

### Key Issues:

This ordinance will authorize the Mayor of the City of Lee's Summit to authorize an addendum to a MOU with the Kansas Bureau of Investigation (KBI) for additional funding for salary and fringe benefits associated to the continued assignment of one Lee's Summit Police Officer to the Kansas City FBI Combined Task Force. As part of the LSPD Officer's participation in the task force, the City of Lee's Summit received an award of \$57,700.00 from the 2018 High Intensity Drug Trafficking Area (HIDTA) funding that is administered locally through KBI. KBI has identified and wishes to distribute additional funds to the City in the amount of \$5,770.00 for the salary and fringe benefits of the LSPD Officer appointed to the Kansas City FBI Combined Task Force.

### Background:

In March 2019, pursuant to Ordinance No. 8588, the City Council approved and authorized the execution of a memorandum of understanding between the City and the Kansas Bureau of Investigation ("KBI") in which the LSPD was awarded \$57,700.00 in 2018 High Intensity Drug Trafficking Area ("HIDTA") funding for the purpose of combating the manufacture and importation of methamphetamine and the disruption of poly-drug trafficking organizations. The funds would be used to partially cover the salary of a detective assigned to work on a special task force known as the Kansas City FBI Combined Task Force.

KBI has identified and wishes to distribute additional funds to the City in the amount of \$5,770.00 for the salary and fringe benefits of the LSPD Officer appointed to the Kansas City FBI Combined Task Force. To include the additional funds in the City's award, an addendum has been issued and requires the City's signature.

Staff is seeking the approval of an Ordinance approving and authorizing the execution of an addendum to the memorandum of understanding with the KBI for the additional funding.

### Impact/Analysis:

With this partnership, the FBI will provide necessary support to the LSPD officer assigned to the task force including salary, vehicles, fuel, mobile phone, office space and supplies, travel funds, funds for the purpose of

evidence and information, investigative equipment, training and overtime during the term of this agreement.

The LSPD will be able to force multiply with the FBI in combating locally the trafficking of controlled substances.
