Annual Airport Budget Presentation to Board of Aeronautic Commissioners

Key Issues:

- CPI Increase of 2% beginning January 1, 2018 recommended
- 2018 Spring Airport construction project - relocation of taxiway Alpha paving begins, includes removal of Open-T Hangars and 1-S-Hangar Building.
- • Continue to evaluate future operational needs of the Airport after improvements are complete (equipment, staff, etc.).
- • Tenant Open House & Tenant Construction Progress Meetings to update customers about upcoming airport construction projects.
- • Continue, and expand, Airport Marketing Program to attract new fuel sales and business to the Airport.
- • Annual Airport open house event.
- • Attend and staff a booth at the NBAA (National Business Aircraft Association) Schedulers & Dispatchers Conference in February 2018.
- • Marketing budget remains close to last year's amount.
- • Remove & Replace Asphalt 15-approach pads of K & J Hangar units, three-year program to perform all 38-units. First year will address the units needing immediate repairs.

Equipment expansion Requests

- Ground Power Unit (GPU)....\$42,000

- Additional Tractor-Mowing/Snow Removal....\$69,700
- Line Service Office at Hangar 1 yearly rental and installation....\$12,950

Proposed City Council Motion:

I move to recommend to the City Council approval of Annual FY 2017-2018 Airport Budget

Background:

Staff will present the 2017-2018 Airport Budget to Board of Aeronautic Commissioners

Impact/Analysis:

Fuel expense expected to increase due to increase in traffic.

Presenter: John Ohrazda, Airport Manager

Recommendation: Staff recommends to the City Manager that the proposed Airport Budget be included in their submission to City Council.

Committee Recommendation: BOAC recommends to the City Manager that the proposed Airport Budget be included in their submission to City Council.
