### Issue/Request:

Status Update - Creation of Short Term Rental Regulations

### Key Issues:

At the August 9, 2017 Community and Economic Development Committee (CEDC) meeting, staff presented some initial research and commentary on findings regarding short term rental uses and how other communities are dealing with these uses. The CEDC requested staff gather feedback from the community on short term rentals and continue to research potential regulations regarding these uses.

A special public meeting will be held on September 12, 2017 at 6:30 PM in the City Council Chambers of City Hall to obtain feedback and public comments and concerns short term rentals.

Staff will be prepared to provide the CEDC with a summary overview of the special public meeting held on Tuesday September 12, 2017 and continue the pursuit of creating regulations regarding short term rentals within the community.
