Background:

Lee's Summit Parks and Recreation has negotiated the purchase of the Longview Recreation Center from the Junior College District of Metropolitan Kansas City, Missouri (hereinafter "MCC.") LSPR is seeking to finance the acquisition through the use of an inter-fund loan from the City of Lee's Summit general fund.

The City of Lee's Summit has extended inter-fund loans to LSPR in the past, most recently financing the design and construction of the Gamber Community Center in 2006 with a \$3.25 million inter-fund loan which carried no interest rate and was paid back in four (4) years using parks sales tax revenues.

The proposed inter-fund loan to purchase the Longview Recreation Center will be for the total amount of \$4.1 million with a five year payback schedule. Additionally, LSPR will pay interest to the City of Lee's Summit equal to the foregone interest earned on the amount borrowed. Currently, that amount is between 1.5-1.6%.

The attached Memorandum of Understanding outlines the specific terms and conditions associated with the inter-fund loan.

At its' July 25, 2018 meeting, the Lee's Summit Parks and Recreation Board directed the Administrator of Parks and Recreation to request an inter-fund loan from the City of Lee's Summit in the amount of \$4.1 million to finance the acquisition of the Longview Recreation Center.
