Impacts on the City of Lee's Summit following the approval of Amendment 2 by the voters of the State of Missouri on November 6, 2018

Presentation:

On November 6, 2018 the voters of the State of Missouri approved Amendment 2 to the Constitution. The purpose of the amendment is to legalize medical marijuana in the State and provide for a regulatory framework for establishing growing, manufacturing, testing, and dispensing facilities as well as transportation. This amendment implicates a number of City Departments and activities. Staff will provide information on those impacts as well as future time lines from the law.

Brian W. Head, City Attorney
Jim Eden, Assistant Fire Chief of Prevention
