Issue/Request:

An Ordinance authorizing the City of Lee's Summit, Missouri to issue Taxable Industrial Development Revenue Bonds in a principal amount not to exceed \$17,000,000 in connection with the Streets of West Pryor Grocery Store Development; and authorizing certain documents and actions in connection therewith.

Key Issues:

This ordinance will authorize the issuance of the Chapter 100 bonds in order to allow for the sales tax exemption on the purchase of construction materials for the grocery store in the Streets of West Pryor project.

Proposed City Council Motion:

I move for adoption of an An Ordinance authorizing the City of Lee's Summit, Missouri to issue Taxable Industrial Development Revenue Bonds in a principal amount not to exceed \$17,000,000 in connection with the Streets of West Pryor Grocery Store Development; and authorizing certain documents and actions in connection therewith.

Background:

The City Council approved the Streets of West Pryor TIF Plan and other financing items on January 8, 2019, including approval of the Master Plan for Industrial Development Projects for the Streets of West Pryor

Development. As approved, the Master Plan allows for the Developer to use the City's sales tax exemption certificate for the purchase of construction materials used in the construction of the project improvements, along with a set PILOTs schedule for the two apartment complexes. The TIF Plan contained a project budget which itemizes the project costs and lists the items that are reimbursable from public sources (TIF, CID, TDD) and the Chapter 100 cost savings.

This ordinance allows for the Chapter 100 transaction to implement the Master Plan with respect to the grocery store in the project.

Impact/Analysis:

This Chapter 100 transaction, along with the other Chapter 100 transactions that will be separately approved by ordinance, allows for approximately \$6.05 million in sales tax savings for the overall project.

Timeline:

Developer is taking steps to start construction of the project this year.
