Status update on 4th & Main Street City downtown parking lot

### Issue/Request:

Status update on 4th & Main Street City downtown parking lot

### Key Issues:

In August of 2018 the City acquired property located at SE 4th and SE Main Streets. The property is approximately 1/2 acre in size and is being planned for a surface parking lot for downtown parking on a temporary basis. The City's Public Works Department is designing the parking lot improvements and a Phase 2 environmental site assessment is being performed. The Public Works Department anticipates bidding the parking lot improvement project during the winter 2019-2020 with a proposed construction completion of Spring of 2020. Although not fully designed at this time, the City anticipates the parking lot will accommodate 38 parking spaces.
