The City received voter approval in a Special Election on August 6, 2019 to issue up to \$19,475,000 in bonds for the purpose of acquiring land, making certain improvements, and acquiring equipment for public safety purposes including (a) the acquisition, construction, furnishing and equipping of a new fire station and the purchase of associated apparatus to replace Fire Station No. 4, (b) the acquisition, construction, furnishing and equipping of a new police automobile video systems and police bodyworn camera systems, (d) renovations and improvements to enhance facility security, public access, customer service and operational efficiency in the Police and Courts Municipal Building and (e) purchasing and installing new infrastructure to renovate, improve and upgrade the City's wireless and fiber optic communications network among City Hall and other City facilities.

This resolution authorizes the marketing phase of issuing an additional \$5 million of those bonds for property acquisition. The initial debt offering of \$9.055 million was issued In January 2020 to cover the following included items:

Network Infrastructure	\$975 <i>,</i> 000.00

Police and Court Facility renovations	\$5,500,000.00
Fire Apparatus	\$1,500,000.00
Station 5 property acquisition initial costs	\$25 <i>,</i> 000.00

These bonds will be structured with a maturity schedule designed to maintain the City's debt tax levy at it's current level of \$ .4697 per \$100.00 assessed valuation. The remaining debt authorization of \$5,420,000 will be issued at a later time as needed for the authorized purposes.

## File #: RES. NO. 20-23, Version: 1

The Resolution also gives the City the option to issues the bonds through either a competitve public sale or private placement. This enables the City to get the best price and terms when it sells the bonds.
