An Ordinance approving the use of a Cooperative Contract between Mid-America Regional Council and Medline Industries, Inc., to purchase medical supplies and equipment as needed and authorizing the City Manager to execute the same for the City.

### Issue/Request:

An Ordinance approving the use of a Cooperative Contract between Mid-America Regional Council and Medline Industries, Inc., to purchase medical supplies and equipment as needed and authorizing the City Manager to execute the same for the City.

### Key Issues:

- The current cooperative contract to purchase medical supplies and equipment is expiring
- The contract is used by the Fire department to acquire medical supplies and small equipment for use in ambulances and fire trucks
- The City of Lee's Summit is a member of the Mid-America Regional Council Emergency Response (MARCER) team that reviews and makes recommendations to MARC

### Proposed Committee Motion:

I move to recommend to City Council for approval an Ordinance approving the use of a Cooperative Contract between Mid-America Regional Council and Medline Industries, Inc., to purchase medical supplies and equipment as needed and authorizing the City Manager to execute the same for the City.

### Background:

The City is using a cooperative contract, the contract is expiring soon  
MARC issued a bid and awarded a contract for the needed items and service to Medline Industries Inc.  
The City's historical spend with Medline Industries, Inc. has been: FY21 \$79,352 - COVID and FLU testing system and kits

Impact/Analysis:

Use of this contract would be based on the annual appropriations approved by the City Council.

Rick Gentry, Procurement and Contract Services Manager

Recommendation: Staff recommends approval of an Ordinance approving the use of a Cooperative Contract between Mid-America Regional Council, and Medline Industries, Inc., to purchase medical supplies and equipment as needed and authorizing the City Manager to execute the same for the City.
