An Ordinance approving a First Amendment to a License Agreement between the City of Lee's Summit and the Lee's Summit R-7 School District for the installation and upsizing of a public sanitary sewer main on City property and easements for the Bailey Road Middle School regarding the railroad encroachment and approving the related Railroad Encroachment Agreement between the City of Lee's Summit and the Union Pacific Railroad Company and authorizing the execution of agreements for the same and containing an emergency clause.

The City Council passed Bill 21-222 which approved a License Agreement between the City of Lee's Summit and the Lee's Summit R-7 School District for the new Bailey Road Middle School; and after the first reading by the City Council and after approval by the School Board of the License Agreement, the Parties received a Pipeline Encroachment and Crossing Agreement from the Union Pacific Railroad Company, which is a necessary agreement to be executed to complete the contemplated Sewer Improvements. This required an amendment to the recently approved license agreement.
