An Ordinance amending the Code of Ordinances of the City of Lee's Summit, Missouri by enacting a new Section 17-62. Child Abuse., providing generally for the creation of the offense of Child Abuse and specifying the penalty for violation. (CEDC 4/13/22)

Issue/Request:

All municipal child abuse cases are currently filed under Sec. 17-58 - Endangering the welfare of a child. This ordinance addresses the security around the child and requires no physical injury. An adult caring for a minor is legally obligated to ensure the minor is not exposed to harmful situations. When they fail to protect a minor sufficiently, a charge under this ordinance is appropriate. Child abuse is non accidental physical injury to a child and can include striking, kicking, burning, or biting the child, or any action that results in a physical injury of the child. The act of affirmatively harming a child and the act of putting a child at risk are two very different crimes and should be addressed by two different ordinances. The consequences and sentences for each differ, as well. Adopting a child abuse ordinance will help us to ensure these cases are handled appropriately both now and long term, helping to keep children safe.
