Application #PL2016-202 - VACATION OF EASEMENT - 1710 NE Ozark Dr.; Trent & Christy Yager, applicant

Issue/Request:

This application is for the vacation of a 7.5' x 65' portion of a larger 7.5' x approximately 358' long utility easement located at 1710 NE Ozark Drive. The request to vacate this easement stems from a conflict between the easement and a proposed renovation of an existing boat house that is located within this easement. No objection was raised by the City's Public Works, Water Utilities Department or other utility companies.

Recommendation:

Staff recommends **APPROVAL** of the vacation of easement.
