Presentation of the Draft FY18 Airport Capital Improvement Plan

Issue/Request:

Presentation of the Draft FY18 Airport Capital Improvement Plan

Key Issues:

Proposed Committee Motion:

I move to recommend that the Airport projects presented be included in the FY18 Capital Improvement Plan.

Background:

Staff has updated the Airport Capital Improvement Plan (CIP), and will present the FY18 update to the BOAC. The CIP is in draft form and will need approval from the Planning Commission and the City Council prior to final adoption. If approved, the funding for FY18 projects will not become available until July 1, 2017.
