Discussion - Downtown Area Infrastructure Improvements

Issue/Request:

Discussion - Downtown Area Infrastructure Improvements

Key Issues:

- Downtown Area Infrastructure
 - Confirm the Focus Area of Planning.
- Infrastructure Conditions (Roads, Sidewalks, Storm Water System, Etc.)
 - Existing Conditions. What are the issues to be addressed?
 - Proposed Conditions. What are the desired improvements?
- Policy, Prioritization and Funding Plan (Next Steps)

Michael Park, PE, PTOE, City Traffic Engineer
